School Readiness is for you!

What is the School Readiness program?

School Readiness is a state initiative designed to:

- ⇒ Provide quality childcare for 3 and 4 year old children whose parents are under the state median guidelines. (This will be determined through the intake process.) Our centers are NAEYC accredited, which means they provide your child with the best preschool education possible.
- ⇒ Help children develop the social, emotional and academic skills needed for kindergarten.
- ⇒ Provide childcare subsidies for families who live in Windsor and meet the income eligibility guidelines.
